

# Myles Smith - Nice To Meet You

tom:  
Ab (forma dos acordes no tom de G )  
Capostrate na 1ª casa

Lonely in this crowd, I see the low, oh-oh  
One more drink away from heading home, home

Oh-oh-oh-oh-oh

I could feel the night slipping by

Oh-oh-oh-oh

Away from me

And, oh-oh-oh-oh

She caught my eye through the light

Then she came right up to me

She said: Oh, hi, nice to meet you

Tonight, maybe we could

Go dance, get up off our feet

She said: This life ain't forever

One song, here together

Then let's play it on repeat

We could dance, we could dance all night

We could dance till the morning light

Let's forget about our worries

And the wild world outside

She said: Oh, hi, nice to meet you

Tonight, maybe we could

Go dance, get up off our feet

We could dance, we could dance all night

She took my hand

And led me through the dark, oh-oh

She said: Feel the beat

Forget that broken heart, oh-oh

## Acordes

And, oh-oh-oh-oh-oh

I could feel the night slipping by

Oh-oh-oh-oh

Away from me

And, oh-oh-oh-oh

I saw the light in her eyes

Glad she came right up to me

She said: Oh, hi, nice to meet you

Tonight, maybe we could

Go dance, get up off our feet

She said: This life ain't forever

One song, here together

Then let's play it on repeat

We could dance, we could dance all night

We could dance till the morning light

Let's forget about our worries

And the wild world outside

She said: Oh, hi, nice to meet you

Tonight, maybe we could

Go dance, get up off our feet

We could dance, we could dance all night

( C G D )

We could dance, we could dance all night

She said: Oh, hi, nice to meet you
