

## Mylon and Broken Heart - More (Of Jesus)

```
[Pre-chorus]
              tom:
                                                          A Abm Gbm Abm
              Gb
Intro: E Abm A
E Abm A
                                                           Oh, more, more, I wanna be more
                                                           Gbm
                                                                B Cm
                                                          Like Jesus
[Primeira Parte]
                                                          [Refrão]
      Abm
                                                          Dbm A Gb A B Dbm
Break my heart and change my mind
                                                           More of Jesus less of me
E Abm A
Cut me loose from ties that bind
                                                            A B E B
                                                                             Dbm
                                                          By His power I will be
E Abm A
Lead me as I follow You
                                                            A Gb A B Dbm
E Abm A
                                                          Like a flower in the spring
Give me strength to follow through
                                                            A B E
                                                          Brand new life in everything, I need to
[Pre-chorus]
                                                           Know
A Abm Gbm Abm
                                                          [Final]
Oh, more, more, I wanna be more
