Those happy times I'd say to myself

All will be well

Sometimes you can't see the sea
D
Even from the boat
E
So whatever hints you get
D
You better hurry and take note

(A)

They pair off two by two

Until one of them turns blue

'Cause I need you like a string needs a kite to get to the sky

(A)

A
I look for the sound of the wind to put in my headphones
A
To help these walls dissolve take me to another zone

'Cause I'm an animal and I have one life

You're an animal and you have one life
