

Nada Surf - Looking Through

tom:

[Primeira Parte]

I'm not really here, I
 I'm just looking through
 I am watching your life
 You're watching mine too
 Can I join you for a
 Circle on the ride?
 They say you die of shame
 Not cold in the wild

[Refrão]

Is it true? Is it done?
 Is it over?
 Is it true? Is it done?
 Is it over?
 Are you dancing? Are you dancing it at all?
 Are you dancing? Are you dancing it at all?

[Segunda Parte]

Move away from memory
 Move to the core
 Didn't notice anything
 No frame to the door
 Every birthday candle
 That ever got blown out
 Is one more year of someone trying
 To figure it all out

[Refrão]

Is it true? Is it done?
 Is it over?
 Is it true? Is it done?
 Is it over?
 Are you dancing? Are you dancing it at all?
 Are you dancing? Are you dancing it at all?

Acordes

[Ponte]

Nah-nah-nah-nah-nah-nahhh nah-nahhh
 Nah-nah-nah-nahhh
 Nah-nah-nah-nahhh
 Nah-nah-nah-nah-nah-nahhh nah-nahhh
 Nah-nah-nah-nahhh
 Nah-nah-nah-nahhh

(D)

I'm still the same
 I still turn the same way to my name

[Terceira Parte]

Don't say you need trouble
 To run from; to run
 We see lines in symmetry
 Sometimes there are none
 I really like it quiet
 But I really like it loud
 Always changing, never changing
 Never can slow down

[Refrão]

Is it true? Is it done?
 Is it over?
 Is it true? Is it done?
 Is it over?
 Are you dancing? Are you dancing it at all?
 Are you dancing? Are you dancing it at all?

You better start dancing
 Are you dancing at all?
 You better start dancing
 Are you dancing at all?

Dance just a little
 Dance just a little
