Everyone's right and no one is sorry  
**G** **Em**  
That's the start and the end of this story

From the sharks and the jets  
To the call in the morning

( **Bm G A** ) 2x

**Bm** **G**  
Everyone's right and no one is sorry  
**A**  
That's the start and the end of this story  
**Bm**  
From the sharks and the jets  
**G**  
To the call in the morning  
**A**  
And life is just bets anyway

(refrão)  
**Em** **A** **G** **D**  
Look alive, see these bones  
**Em** **A** **G** **D**  
What you are now, we were once

**Bm** **G**  
Try as they might, no one's immune to  
**A**  
Misfiring and acting on the wrong clues  
**Bm** **G** **A**  
And thinkin' it's time to redo and redo

**Bm**  
I feel rain in the movies  
**G**  
And the talk before the screen lights  
**A**  
I hear strings in the park  
**Bm**  
I don't like to call her right,  
**G**  
Except when its too late at night  
**A**  
I mostly just think in the dark

(refrão)  
**Em** **A** **G** **D**  
Look alive, see these bones  
**Em** **A** **G** **D**  
What you are now, we were once  
**Em** **A** **G** **D**  
Just like we are, you'll be dust  
**Em** **A** **G** **D**  
And just like we are, permanent

(**Bm A G Em G G** )

**Bm** **A** **G** **Em** **G**  
You were too tired to eat, too hungry to sleep  
**Bm** **A** **G** **Em**  
Just imagine the spe- - -ed  
**G**  
It's just what you need

(refrão)  
**Em** **A** **G** **D**  
Look alive, see these bones  
**Em** **A** **G** **D**  
What you are now, we were once  
**Em** **A** **G** **D**  
Just like we are, you'll be dust  
**Em** **A** **G** **D**  
And just like we are, permanent

(**Em A G D** )  
The lights in the city  
Are more or less blinking  
Which side of the story  
Decides what you're thinking  
We'll amount in cold faces  
We're squinting, we're hurrying  
we'll take inventory  
we're digging, we're burrying

(**Em A G D** )  
Do you remeber when the line was blown  
Do you remember when it fell  
Do you remember when you went to her house,  
Remember ringing the bell

(refrão)  
**Em** **A** **G** **D**  
Look alive, see these bones  
**Em** **A** **G** **D**  
What you are now, we were once  
**Em** **A** **G** **D**  
Just like we are, you'll be dust  
**Em** **A** **G** **G** **Em** **D**  
And just like we are, permanent
