

## Nadia Gifford (Bumpy Trot) - In Your Voice

tom: Intro: C G C Am7 F Dm7 G C7 Am7 When you're down and low Try looking at the sun Gm Keep your head high and everything is alright G C7 Am7 When you're lost and confused You might be able to G Dm7 Find the answers that you want above the clouds G C7 Am7 When you're sad and blue Look into the blue sky Dm7 And your blueness might be soaked into the sky G C Am7 When you feel like nobody Just look at the stars G And remember they are twinkling for you G Em Am7 F In your eyes I see a pond of trouble

G C C7 F You've been hiding from us all the time

G
E
Am
Dm7 But you can't keep it all in forever G Can't you see we're all right here for you? Now let me tell you one thing Em We will always sing for you

F G C F C So why not sing along with us?

G

Bb

Am Let go of all your troubles

F
Em
Dm7 G Be free of your mind and let it go

It's funny how things turn around F G C Just by singing out loud Because the fire is right there in your voice Listen to it, oh listen to it The vision of your own dreams Em You must see it through Ab G C It's in your voice

G Bb Am Let go of all your troubles

F

Em Dm7 G C Be free of your mind and let it go

G

Bb

Am It's funny how things turn around F G C F CJust by singing out loud

G Bb Am Let go of all your troubles There ain't nothin' like singing out loud like this

G

Bb

Am Oh, it's funny how things turn around F G CWhen we're all singing as one, as one G Bb Am Let go of all your troubles

F

Em Be free of your mind and let it go

G

Bb Am And we will sing for you, my friend

F

G

If you keep on listening 'til the end La la la lala lalaa Em There ain't nothin' like singing out loud like this G Bb Am La la la lala lalaa F G
