

Nahko Bear And Medicine For The People - Budding Trees

Tom: C
Intro: -Ho!

Verso

Tap me out...
Tap me out and tap me in to you...

The body talks...

On the repeat, the last C goes into -ho!.

C Am (Intro) x2

Verso

C Am F C
In the moon of the budding trees
C Am F C
I was gifted new eyes to see
C Am F C
All of the shifting shape and ways you can be
C Am F C
Wake the dreams into realities
C Am F C
Wake the dreams into realities
C x3 (as in intro)

C Am F C
Sunset diamonds trickle down our cheeks
C Am F C
The language of no words is how we speak
C Am F C
Pacha Mama spinning firelight
C Am F C
And a Little Bear singing by the fireside
C Am F C
Out of this city with the wind on our neck (Check)
C Am F C
Thats us whistling upon your neck
C Am F C
Moonlit diamonds sparkle into my mouth
C Am F C
Feels like hunger and it tastes like salt
C Am F C
Feels like hunger and it tastes like salt
C x3 (as in intro)

Refrão

Am F C G
So, tap me out and tap me into you
Am F C G
Heal my brain and my body too
Am F C G
Balance my chemistry hydrate these cells
Am F G C
Cuz the body talks and meditation helps
Am F G
The body talks and meditation helps

C Am
-ho! A-ho! A-ho! A-ho! A - ho! A-ho! A-ho! A-ho! A -
C Am
-ho! A-ho! A-ho! A-ho! A - ho! A-ho! A-ho! A-ho! A-ho!

Verso

C Am F C
A little bit of cinnamon pours as we snoot
C Am F C
All up on my shit in the morning commute
C Am F C

Coastal quiver on a quest through the dunes
C Am F C
Sandy toes and bottomless curves of the moon
C Am F C
Heavy lifting for Peles children
C Am F C
Hand of the goddess soaking cliffs keep building
C Am F C
Plate is full but appetite has dwindled
C Am F C
I feel a little sick so I keep the fire kindled
C Am F C
You the pillar steadfast light of bravery
C Am F C
And I, the dimly burning candle still shaking
C Am F C
Riddled fear quiver my bones so easy!
C Am F C
Well, youre the guru now so visualize healing
C Am F C
Yeah, youre the guru now so visualize leaving
C Am F C
Let her go for she can no longer feed you
C Am F C
And many children need that mana creature
C Am F C
Just barely missed you I was finally ready!
C Am F C
But you are a long gone too much heavy history
C Am F C
Yeah you are a long gone too much heavy history
C Am F C
Let go of blame that shit will never serve me!
C Am F C
Bless other men investigate your mystery
C x4 (as in intro)

-ho! A-ho! A-ho! A-ho! A - ho! A-ho! A-ho! A-ho! A-ho!

Verso

C Am F C
Little spider weaves a wispy web
C Am F C
And stumbling through the woods it catches to my head
C Am F C
She crawls behind my ear and whispers secrets
C Am F C
Dragonfly wiz by and sings now teach it
C Am F C
Yeah, dragonfly wiz by and sings now teach it
C Am F C
Fork on the trail I watch you head up mauka
C Am F C
I turn makai and whisper, thank you sister
C Am F C
Edge of the west where water touches land
C Am F C
You are the east with folded maps in hand
C Am F C
Time to increase my frequency!
C Am F C
Hands of light and bodies talking, yeah
C Am F C

Gimme some of that wild fox medicine!

C Am F C
But, keep me here in this wild present tense
C Am F C
Fully supported on new lovers chest
C Am F C
Dawning adventures sparkle get some rest!
C Am F C
Dawning adventures sparkle get some rest!
C x4 (as in intro)
