

# Nana Caymmi - Canção da Manhã Feliz

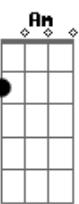

tom:  
**Em**  
**Am D7 G**      **Am Bm E7**  
Luminosa manhã, por que tanta luz?  
**Am D7 G**      **Gbm B7**  
Dá-me um pouco de céu, mas não tanto azul  
**Em Gbm B7**  
Dá-me um pouco de festa, não esta  
**Bm E7**  
Que é demais por meu anseio  
**A7**      **Am Bm C Bm E7**  
Ela veio olhar, você sabe, ela veio  
**Am D7 G**

Despertou-me chorando e até me beijou  
**Dm G7 C**  
Eu abri a janela e este sol entrou  
**Dbm Gb7**  
De repente, em minha vida  
**Bm E7**  
Já tão fria e sem desejos  
**Am D7 B7 Bm E7**  
Estes festejos, esta emoção  
**Am D7 Bm E7**  
Luminosa manhã, tanto azul, tanta luz  
**Am D7 Eb D7 Eb Ab C**  
É demais pro meu coração
