

# Nancy Wilson - It Never Entered My Mind

Tom: F

Intro: F

Once i laughed when i heard you saying  
That i'd be playing solitaire  
Uneasy in my easy chair  
It never entered my mind  
Once you told me i was mistaken  
That i'd awoken with the sun  
And ordered orange juice for one  
It never entered my mind  
You have what i lack, myself

And now i even have to scratch my back myself  
Once you warned me that if you scorned me  
I'd sing the maiden's prayer again,  
And wish that you were there again  
To get into my hair again, it never entered my mind
