Capostrate na 3ª casa

## [Primeira Parte]

Mix me up, like sugar on your fingertips  
Pour me slow, don't let a single drop slip  
Melt me down, make me soft inside your hands  
But don't rush, you know good things take time to land

## [Pré-Refrão]

Step one: stir it up, let the heat rise  
Step two: taste it slow, watch it in my eyes  
Step three: take your time, don't let me burn  
And now you... got me begging for another turn

## [Refrão]

You could bake me, break me, save me for later  
Don't let me spoil, just savor the flavor  
Keep me fresh, yeah, keep me sweet  
I'm not just dessert, I'm the whole recipe

## [Segunda Parte]

Heat me up, but don't let me get too hot  
Cool me down, I know you like it on the spot  
Wrap me tight, I'm something you'll wanna keep  
I'm the treat that's gonna stay in your mind deep
