NAPA - It's Okay

```
                tom:
                C
           C7M     G
It?s okay
                       Bm7
Next time we do it for real
        C7M
We both knew
G                   Bm7
It was part of the deal

           Am                          C7M
We?ll be drinking some beers under a tree
C7M            G          Bm7        Am
Trying not to drown as we enter the sea

C7M         G
Breaching a hotel
     Bm7         C7M
At a quarter to three
C7M                       G  Bm7  Am
At least it will be only you and me

          C7M
It?s not okay
G                   Bm7
Not fair, not logical
C7M                 C7M
For this to end in this way
G          Bm7
Unexplainable

    Am                            C7M
Oh, planes, boats and trains can take me there
G                         Bm7
But is it how we want to live?
    C7M           G      Bm7  C7M
Oh, maybe in a few years we?ll see
C7M                       G  Bm7  Am
At least it will be only you and me

C     Em7
Kiss me slowly
Bm7     C7M
Make it linger
C7M
Make it linger on
```

Kiss me slowly
Bm7     C7M

C7M                          Em
Let?s stay a little longer
C7M                         Em
Let our bodies get colder
C7M                         Em

Make it linger on
C7M
Make it linger
C     Em7
Kiss me slowly
C                   Em7           Bm7   C7M
