 think louder, make it happen, keep holding on
 Dm F Dm F Bb They are looking, do your best Bb

Acordes

Don't hide who you are

```
Bb
                          Dm
                                     F
Your dreams, your goal, your life (do it yourself)
Bb
                  Dm
                            F
You will achieve in time (do it yourself
                  Dm
Bb
                            F
at least you got to try (do it yourself
                Dm
Bb
                          E.
believe you're dynamite (do it yourself)
                   F
                            Bb
Bb
             Dm
                                     Dm F
It looks like everything is falling apart
Bb Dm F Bb
                                 Dm F
naturally things will fall into place
          Dm F Bb Dm F
Bb
keep your feet on the ground
                              Bb Dm F
Bb
                Dm
                      F
Great things will happen in your course
                          F
Bb
                Dm
                               Bb
                                           Dm
Break the bonds, raise your head, stay strong enough
Bb
                 Dm
                          E.
Look at their eyes, face to face
Bb
Never hide who you are
[Ponte] Bb Dm Am
