

Nasce Uma Estrela (A Star Is Born) - Always Remember Us This Way

Tom: **G**

That Arizona sky burning in your eyes
 You look at me and, babe, I wanna catch on fire
 It's buried in my soul like California gold
 You found the light in me that I couldn't find

So when I'm all choked up
 But I can't find the words
 Every time we say goodbye
 Baby, it hurts

When the sun goes down
 And the band won't play
 I'll always remember us this way

Lovers in the night
 Poets trying to write
 We don't know how to rhyme
 But, damn, we try
 But all I really know
 You're where I wanna go
 The part of me that's you will never die

So when I'm all choked up
 But I can't find the words
 Every time we say goodbye
 Baby, it hurts
 When the sun goes down
 And the band won't play
 I'll always remember us this way
 Oh, yeah
 I don't wanna be just a memory, baby, yeah

So when I'm all choked up
 But I can't find the words
 Every time we say goodbye
 Baby, it hurts
 When the sun goes down
 And the band won't play
 I'll always remember us this way
 When you look at me
 And the whole world fades
 I'll always remember us this way
