

Nat King Cole - Around The World

Tom: G

(intro) G Abdim Am/11 Ab7 G Abdim Am/11 Ab7

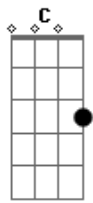

G D7 G G
 Around the world I've searched for you;
 G Fdim
 I traveled on when hope was gone
 Am D7
 To keep a rendezvous.
 Am D7 Am D7
 I knew somewhere, sometime, somehow,
 Am D

You'd look at me and I would see
 G G D7
 The smile you're smiling now.
 G D7 G G
 It might have been in County Down,
 G Fdim
 Or in New York, or gay Paree,
 Am
 Or even London town.
 C Gdim G Bm E
 No more will I go all around the world
 Am D7 G
 For I have found my world in you.
