

# Nat King Cole - Stardust

Tom: G

And now the purple dusk of twilight time  
Steals across the meadows of my heart.  
High up in the sky the little stars climb,  
Always reminding me that we're a - part.

You wandered down the lane and far away.  
Leaving me a song that will not die.  
Love is now the stardust of yes-ter-day,  
The music of the years gone by.

Sometimes I wonder why I spend the lonely night

Dreaming of a song. The mel-o-dy haunts my reverie,  
And I am once again with you.

But that was long ago; now my consolation  
Is in the stardust of a song.

Beside a garden wall when stars are bright,  
You are in my arms; the nightingale tells his fairy tale  
Of par-a-dise where ro-ses grew.  
Though I dream in vain, in my heart it will re-main:  
My stardust mel-o-dy  
the memory of love's re - frain.
