

Natal Luz de Gramado - Aqui a Magia É Real

Tom: C

A magia nasce
 Dentro do seu coração
 E transforma a cidade
 Num mundo de imaginação
 Cada luz que acende
 Começa de um sonho encantado
 E assim surge o mais lindo
 Natal Luz de Gramado
 Pinheirinhos, presentes
 Noel e ruas decoradas
 É o amor que emana

De uma cidade iluminada

A luz do Natal
 Brilha para mim
 A Luz do Natal
 De um Natal Feliz
 Todos se tornam crianças
 A cidade inteira reluz
 A fé que carrega no peito
 Dá vida ao Natal Luz
 A luz do Natal
 Brilha para mim
 A Luz do Natal
 De um Natal Feliz
