

Natal - A Spaceman Came Travelling

```
and many were waken on hearing that sound,
                                                                                 G
                                                            and travellers on the road, the village they found,
1. A spaceman came travelling in his ship from afar,
   t`was light-years of time since his mission did start,
                                                            by the light of that star in the sky ---- which shone on
   and over a village he halted his craft,
                   G F GF
                                                         5. And just before dawn, at the paling of the sky,
   and it hung in the sky like a star ---- just like a star.
                C
                             G
2. He followed a light and came down to a shed,
                                                            the stranger returned and said :"Now I must fly.
                                                            When two thousand years of your time have gone by, C G F GF G Am G Am
