

# Nate Ruess - Nothing Without Love

Tom: Db

(com acordes na forma de  
Capotraste na 1ª casa

i am nothing without love

i'm but a ship stuck in the sand

some would say that i'm all alone

But i am, i'm nothing without love

I am nothing without love

I'm but a ship stuck in the sand

Some would say that i'm all alone

But i am, i'm nothing without love

I wanna hold her in my arms

But she feeling low, she feeling sad

I would take credit for what's wrong

But i am, i'm nothing without love

Three years at sea after the storm

On this sinking ship that love had put me on

God, i wish a gust of wind would come and carry me home

But i, i got nowhere to go

Now here you show up, with the force of a wave

And so i'm setting my sail, i'm headed for the empire state

Hey, hey, i don't want to lose this one, she make me feel whole

You know i am, i'm nothing without love

Oh, baby, show me a sign

Send up a signal that everything's fine

Come on, slide up right here by my side

You know that i, i want to rest in your light

Na, na, na, hey

Na, na, na, oh, oh  
Na, na, na, hey

Na, na, na, oh, oh  
Na, na, na, hey

Na, na, na, oh, oh  
Na, na, na, hey  
Na, na, na, oh, oh (i wanna rest in your light)

Na, na, na, hey

Na, na, na, oh, oh  
Na, na, na, hey

Na, na, na, oh, oh  
Na, na, na, hey

Na, na, na, oh, oh  
Na, na, na, hey

I am nothing without love

I'm just these palms without a pair

And i would take credit for this all

But i, i am, i'm nothing without love

Baby, show me a sign

Send me a signal that everything's fine

Oh, just come on, come on, come on, come on, right by my side

Don't you know that i, don't you know that i

I wanna rest in your light

i wanna rest in your light

i wanna rest in your light

'cause i am, i'm nothing without love
