Intro: **Dbm** **Gb7** **A**
Dbm **Abm** **Dbm**
D **E7** **Aadd9**
B7 **E** **A**

A
 Eu mandei meu amor pro espaço
Bm
 E agora, o que é que eu faço
D **Dbm** **E7**
 Com o vácuo da minha solidão?

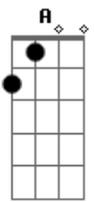

A
 Eu troquei meu quintal ensolarado
Bm
 Por uma nave aos pedaços
D **Dbm** **E7**
 Uma viagem rumo à escuridão

A
 São difíceis os dias desse tempo
Bm
 Precisamos tanto de um invento

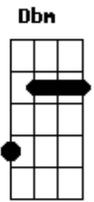

D **Dbm** **E7**
 Que nos ajude a sonhar
A
 É que a exclusão já é tamanha
Bm
 Que qualquer dia alguém te apanha
D **A** **A7**
 E põe pra fora do sistema solar

Bm
 Se uma nave passar por mim
Dbm
 Mandarei flores pra ela
D
 E um pedido de socorro
A
 Noticiando como estou
Bm
 A terra gira em torno do medo
Dbm
 Revelaria os meus segredos
D **Dbm** **Bm** **E7** **A**
 Para ter de volta o meu amor
