

Nathaniel Rateliff - Laughing

Tom: **G**

You're looking thin anyways and you stare right through me
 Surprised to be leg to leg
 And is there a place we could run and you could hide with me
 And take our time doing, nothing at all
 We got tungsten rope tying us down, and this tiny crown
 Will be our shield for hope and love
 [Refrão]

And I don't know, where we're going
 And I don't know, where we're going

Until we're gone

Pretend you're the wind, pretend I'm the sun and how warm I make
 How warm I make, your air

And if it's not too much love, cover my eyes for me
 It's a bright morning and we're waking up
 [Refrão]

And I don't know, where we're going
 Until we're gone
 Even when they got us pinned, we're laughing
