

# Natiruts - All Of Me

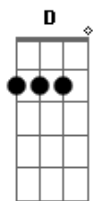

Tom: **D**

**D** **Em** **Em** **D**

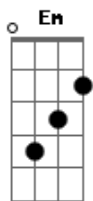

**A7**  
Sem entender, nem explicar  
**Bm**  
Tudo aquilo que vem de você  
**A7**  
Eu vou fechar os meus olhos e ver  
**Bm**  
A pérola que a vida trouxe pra mim

**A7**  
Eu pego o pedacinho do céu  
**Bm**  
Pra colocar minha estrela linda  
**A7**  
Se o tempo tiver algum jeito  
**Bm**  
Que a gente possa parar  
**D7** **Bm** **A7**  
Finalmente poderei te encontrar  
**D7** **Bm** **A7**  
Felizmente estarei com você aqui  
  
**D7** **Bm** **A7**  
E você nem sabia que podia gostar assim  
**D7** **Bm** **Dbm**  
E você nem sabia que o mundo tinha fim
