

Nature and Organisation - To You

tom: [Intro] Gm Cm Bb Cm

Gm
I'd lie down in darkness with devils
Cm
And awoken with strangers that I never knew
Ab Gm
I'd follow the hoofbeats of heartache
Cm Bb Cm
If I thought they'd lead me to you

There's so little magic in morning
Eb Dm
Butterflies in your eyes and a tear drop or two
Eb Cm
I'd run through the dawning with danger
Ab Gm
Cm Bb Cm
If I could be running to you
Gm

If I cry down to God in the morning
Cm Gm
Who am I? Where am I? Why am I still alone?
Ab Gm
He'd probably show me a highway
Cm Bb Cm
Leading to you and to home

There's so little magic in midnight
Eb Dm
Fireflies in your eyes and a sparkle or two
Eb G
I'd dance through the darkness with danger
Ab Gm
Cm Bb Cm
If I could be dancing to you
(Fm Dm G)

If love gives you life or takes lifetime

I'll give love or take love to you
