

# Neck Deep - December

Tom: **D**  
Intro:  
Verso:

Stumbled 'round the block a dozen times  
You missed every call that I had tried, so now I'm giving up  
**Bm**  
A heartbreak in mid December  
**G**  
You don't give a fuck, you never remember me  
**D** While you're pulling on his jeans  
**A**  
Getting lost in the big city  
**Bm**  
I was looking out our window  
**G**  
Watching all the cars go, wondering if I'll see Chicago  
**D**  
Or a sunset on the West-Coast  
**Bm**  
Or will I die in the cold  
**G**  
Feeling blue and alone  
**D**  
I wonder if you'll ever hear this song on your stereo  
**A**

Refrão:  
**D** I hope you get your ballroom floor,  
**A**  
Your perfect house with rose-red doors,  
**Bm**  
I'm the last thing you remember,  
**G**  
It's been a long lonely December.

**D** I wish I'd known that less is more,  
**A**  
But I was passed out on the floor,  
**Bm**  
And that's the last thing I remember,  
**G**  
It's been a long lonely December.

Verso:  
**D**  
Cast me aside to show yourself in a better light,  
**A**  
I came out grieving, barely breathing and you came out  
alright.  
**Bm**  
But I'm sure you'll take his hand,  
**G**  
I hope he's better than I ever could've been,

**D**  
My mistakes were not intentions,  
**A**  
This is a list of my confessions I couldn't say  
**D** **G**  
Pain is never permanent, but tonight it's killing me

Refrão:

Ponte:  
**D** I miss your face, you're in my head  
**A**  
There's so many things that I should've said,  
**Bm**  
A year of suffering, a lesson learned.  
**G**
