

# Neck Deep - Gold Steps

Tom: C  
Intro: Am F Em F Em F  
Em F Em F G  
Em F Em F G  
Em F Em F G  
Em F Em F G

I've been stuck in the middle pages  
Sent the boat across that I created  
Built out of the bones that I've been breaking  
The time you said you needed  
Is there but you can't see it  
You mark me down and out but you're still breathing

If you write the story  
You'll find out we're all stuck on the same page

Cause sometimes things will bend you  
But trust me you'll be fine  
Cause I've been moving mountains that I once had to climb  
And life's not out to get you  
Despite the things you've been through  
Cause what you give is what you get  
And it doesn't make sense to me too

( Am F Em F Em F )  
( Em F Em F G )  
( Em F Em F G )

The walls are caving in again  
Happens every now and then  
Always got me feeling like I'm fucked (fuck)  
Falling in and out of bed sleep so hard  
Feel like I'm dead  
Trying to get a grip is kinda rough

Say life has lost its meaning  
And that's true if you believe it  
But someday you will stand above your demons (You're not beneath this)

If you write the story  
You'll find out we're all stuck on the same page

Cause sometimes things will bend you  
But trust me you'll be fine  
Cause I've been moving mountains that I once had to climb  
And life's not out to get you  
Despite the things you've been through  
Cause what you give is what you get  
And it doesn't make sense to me too

So pick yourself up  
You can't change what's been  
You must go on  
And learn while you live  
And when you see the signs saying hope is up ahead  
Then you write a draft for a better end

Cause sometimes things will bend you  
But trust me you'll be fine  
Cause I've been moving mountains that I once had to climb  
And life's not out to get you  
Despite the things you've been through  
Cause what you give is what you get  
Yeah, life's not out to get you

[Final] Am F Em F Em F  
Em F Em F G
