Capostrate na 3ª casa

[Primeira Parte]

G
I never told you how
D
How much you mean to me
Em **C**
What in the world I would do
Em
I just never made it through to you
D **C**
Oh, to you

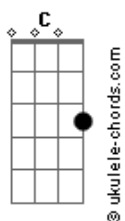

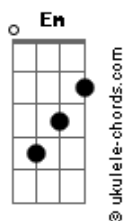

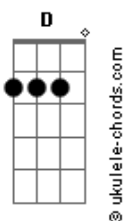

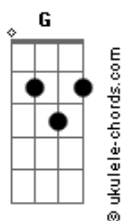

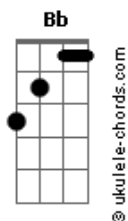

G
There goes a day, there goes a week
D
So many goals I had to reach
Em
The more I did the less I cared
C
The more I missed the love you shared
G
If life is a song, somehow it's sad
D
I don't know the words without you Dad
Em
You've been on my mind all the time
C
And i'm missing you

Em **D**
Home used to be just some walls
C
That I knew
Em **D**
But the truth is that home means nothing
C
Without you

[Refrão]

G
So I gotta say
D
Won't you grow-o-o-o-old
Em
Cause it's you-o-o-o-o
C
That I wa-a-ant to last
G
As long as I need you here
D
And I'm be-e-egging you
Em
Daddy please do-o-on't leave
C
You once told your little girl

Acordes

You're unbreakable

[Segunda Parte]

G
There goes a month
D
There goes a year

So many things out there I fear

And I don't want to sing without you Dad
C
Maybe it's selfish when I say these words
C
But i'm missing you

Em **D**
Home used to be just some walls
C
That I knew
Em **D**
But the truth is that home means nothing
C
Without you
