Eu prefiro acreditar que é menti.....ra

É brilho demais para um só olhar

É inspiração demais é muita li.....ra

Mas meus velhos olhos não queriam me enganar

Ela é negra negritude que fasci.....na

Senhora menina menina senhora me descontrolou

Ao expor seu lindo visual nesta reti.....na

Sua voz que ao próprio canto encantou

Hoje eu vi um lindo negro anjo

Anjo negro lindo anjo

Negra Angela

É que vi um lindo negro anjo

Anjo negro lindo anjo

Negra Angela

Aquele corpo intei.....ro

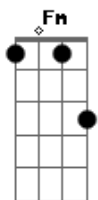

Me deixou cabreiro

E esse instinto masculino vive a me cobrar

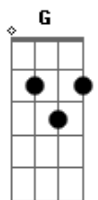

Ah, se eu fosse o primei.....ro

Segundos nem terceiros ocupariam meu lugar
