Intro:

**E** **B** **A** **G**  
Across the plain flew the lone grey rider  
**E** **B** **A** **G**  
Leather bag pounding on his back  
**E** **B** **A** **G**  
Above the clouds the moon was climbing higher  
**E** **B** **A** **G**  
A pack of wolves wanted their money back

**D** **Gbm**  
With folded arms the chief stood watching  
**D** **Gbm**  
Painted braves slipped down the hill  
**A** **G**  
In his ears the spirit talking

As they closed in

**B**  
For an easy kill

At the house the door was wide open  
Wind blew curtains off the rod  
She was waiting and hoping  
She was praying to her god

He was luckier than most men  
He was barely in his prime  
As she stood their in the doorway  
Her long dress flowing  
Would he make it this time

[solo]

Over the hill in the big green country  
That's the place where the cancer cowboy rides  
Pure as the driven snow before it got him  
Sometimes I feel like he's all right

Sometimes I feel like a piece of paper  
Sometimes I feel like my own name  
Sometimes I feel different later  
Sometimes I feel  
I feel just the same

[solo]
