**D** **A**

**A** **G** (x2)

Verse 2:

Pretty soon I met a friend,  
 Who played guitar  
 We'd set on the steps at school,  
 And dream of being stars  
 We started a band,  
 We played all night

(Chorus)

Verse 3:

Oh, the business men came around,  
 And they listened to our sound  
 There we were on Sunset strip,  
 Playing songs for the highest bid  
 Oh, we played all night,  
 If the price was right

(Chorus)

Verse 4:

Well, all the glitters isn't gold,  
 I know you heard the story told,  
 And I'm a pauper in a naked disguise,  
 A millionaire through a businessman's eyes  
 Oh, friend of mine  
 Don't be denied

(Chorus)
