

# Neil Young - Ever After

Tom: G

When you hear that rooster crowing  
In the dawn, in the dawn

There's really no way of knowing  
What goes on, what goes on

The world is full of questions  
Some are answered, some are not  
The only faith you're keepin'  
Is the faith that you still got

I love the sound of laughter and music in the air  
I love the sound of laughter and music in the air

And in the ever after I know it's always there  
A man had many boxes  
And he liked them quite a lot  
But they would not be opened  
'Cause the value would be shot

Sometimes when I go walkin'  
In the trees, in the trees  
That's where I do my prayin'  
In the trees, in the trees

The world is full of answers,  
Some are right, some are wrong  
The one that I believe in  
Is a wish in a song

I love to see you smilin' and hear your voice so fair  
And in the ever after I know you're always there
