

Neil Young - Get Back To The Country

Tom: **A**

(**A**)
When I was a younger man

Got lucky with a rock 'n' roll band

Struck gold in Hollywood

All that time I knew I would

Refrão:

E
Get back to the country
G **D** **A**
Back where it all began

E
Get back to the country
G **D** **A**
Back in the barn again.

(**A**)
Now when we hit the road
Big buses and trucks unload
After the curtain falls
Load up and then we all

E
Get back to the country
G **D** **A**
Back where it all began

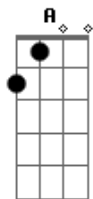

E
Get back to the country
G **D** **A**
Back on the road again.

(**A**)
When I was a younger man
Got lucky with a rock 'n' roll band
Struck gold in Hollywood
All that time I knew I would

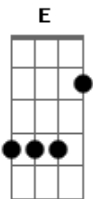

E
Get back to the country
G **D** **A**
Back where it all began
E
Get back to the country
G **D** **A**
Back on the road again.
