

# Neil Young - It's a Dream

tom:

Intro: C F7M A

In the morning when I wake up and listen to the sound  
Of the birds outside on the roof  
I try to ignore what the paper says  
And I try not to read all the news  
And I'll hold you if you had a bad dream  
And I hope it never comes true  
'Cause you and I been through so many things together  
And the sun starts climbing the roof

[Refrão]

It's a dream  
Only a dream  
And it's fading now  
Fading away  
It's only a dream  
Just a memory without anywhere to stay  
( C F7M C F7M )

The Red River stills flows through my home town  
Rollin' and tumblin' on its way  
Swirling around the old bridge pylons  
Where a boy fishes the morning away  
His bicycle leans on an oak tree  
While the cars cross by overhead  
An aeroplane leaves a trail in an empty blue sky  
And the young birds call out to be fed

[Refrão]

It's a dream  
Only a dream

And it's fading now  
Fading away  
It's only a dream  
Just a memory without anywhere to stay  
( C F7M C F7M )

An old man walks along on the sidewalk  
Sunglasses and an old Stetson hat

The four winds blow the back of his overcoat away  
As he stops with the policeman to chat  
And a train rolls out of the station  
That was really somethin' in its day  
Picking up speed on the straight prairie rails  
As it carries the passengers away

[Refrão]

And it's gone  
Only a dream  
And it's fading now  
Fading away  
Only a dream  
Just a memory without anywhere to stay  
( C F7M C F7M )

[Refrão]

It's a dream  
Only a dream  
And it's fading now  
Fading away  
It's only a dream  
Just a memory without anywhere to stay  
( C F7M C F7M C )
