Neil Young - I've Been Waiting For You

```
Tom: C
Intro: D2      Am Am    F      Am Am     x2

          Am                D
I've been looking for a woman
C         D
 To save my life ;
F      Em        F      Em
 Not to beg or to borrow.
   Am                D
A woman with the feeling
C          D
 Of losing once or twice.
F          Em            F      Em
 Who knows how it could be tomorrow ?
       Am                  Am
I've been waiting for you
        Am            F
And you've been coming to me
        D2          Am Am
For such a long time now
       F            Am Am
```
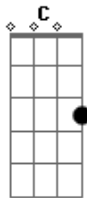

```
Such a long time now

F     Em    F    Em

               Am                   Am
I've been waiting for you
                Am            F
And you've been coming to me
              D2          Am Am
For such a long time now
       F              Am Am
Such a long time now
       D2          Am Am
such a long time now
       F              Am Am
Such a long time now...
