Verse:

Silver wings of mornin'
Shining in the gray day
While the ice is formin'
On a lonely runway
Hydraulic wipers pumpin'
Till the window glistens
Somethin' saying somethin'
No one seems to listen
Men with walkie-talkies
Men with flashlights wavin'
Up upon the tower
The clock reads daylight savings
It's home again to you babe
You know it makes me wonder
Sittin' in the quiet slipstream
Rolling in the thunder

Chorus:

Look out for my love
Look out for my love
Look out for my love
Look out for my love
