 Clean up the corruption and make the country strong

Walkin' among our people there's someone who's straight and strong
 To lead us from desolation and a broken world gone wrong
 Someone walks among us and I hope he hears the call
 And maybe it's a woman or a black man after all

Maybe it's Obama but he thinks that he's too young
 Maybe it's Colin Powell to right what he's done wrong

America has a leader but he's not in the house
 He's walkin' here among us and we got to seek him out

Yeah we've got our election but corruption has a chance
 We got to have a clean win to regain confidence
 America is beautiful but she has an ugly side
 We're looking for a leader in this country far and wide

D **Em**
 We're looking for a leader with the Great Spirit on his side
