la-la la-la la la la-la-la ooh ooh ooh ooh

It's gonna take a lotta love

To change the way things are

It's gonna take a lotta love

Or we won't get too far

So if you look in my direction

And we don't see eye to eye

My heart needs protection

And so do I...

It's gonna take a lotta love  
dos versos

To get us through the night

It's gonna take a lotta love

To make things work out right

So if you are out there waitin'

I hope you show up soon

'Cause my head needs relating

Not solitude

Got a lotta love oh-yeah got a lotta love

la-la la-la la la la-la-la ooh ooh ooh ooh

It's gonna take a lotta love

To change the way things are

It's gonna take a lotta love

Or we won't get too far

It's gonna take a lotta love...

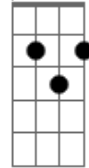

Mesma equência
