 A battle raged on the open page,

 Love and only love will endure
 C D Em G
 Hate is everything you think it is
 C D Em G
 Love and only love will break it down
 C D
 Love and only love, will break it down

 Break it down, break it down.

 Tomorrow is a long long time if you're a memory
 Trying to find peace of mind

Spirit come back to me,
 Give me strength and set me free
 Let me hear the magic in my heart.

Love and only love will endure
 Hate is everything you think it is
 Love and only love will break it down
 Love and only love, will break it down
 Break it down, break it down.

Long ago in the book of old,
 Before the chapter where dreams unfold
 A battle raged on the open page,
 Love was a winner there overcoming hate
 Like a little girl who couldn't wait.

Love and only love will endure
 Hate is everything you think it is
 Love and only love will break it down
 Love and only love
 Love and only love
 Love and only love
 Love and only love
 Love and only love
