D **D** **D7**
 Motion pictures on my TV screen,
G **E7**
 A home away from home, livin' in between
D **D** **D7** **G**
 But I hear some people have got their dream.
E7
 I've got mine.

D **D** **D7**
 I hear the mountains are doin' fine,
G **E7**
 Mornin' glory is on the vine,
D **D** **D7**
 And the dew is fallin', the ducks are callin'.
E7
 Yes, I've got mine.

D **D** **D7**
 Well, all those people, they think they got it made
G **E7**
 But I wouldn't buy, sell, borrow or trade
D **D** **D7**
 Anything I have to be like one of them.
E7
 I'd rather start all over again.

D **D** **D7**
 Well, all those headlines, they just bore me now
G **E7**
 I'm deep inside myself, but I'll get out somehow,
D **D** **D7**
 And I'll stand before you, and I'll bring a smile
E7
 to your eyes.

D **D** **D7**
 Motion pictures, motion pictures.
