When the dream came, I held my breath with my eyes closed

Now I won't be back till later on

If I do come back at all

But you know me and I miss you now

When the change came, and you had a chance to see through me

Though the other side is just the same

You can tell my dream is real

Because I love you can you feel it now

Though we rush ahead to save our time

We are only what we feel

And I love you

Can you feel it now

Can you feel it now

Can you feel it now

Can yoooooooo (1 parte só da Intro terminando em **D** soando)
