Tom: **D**  
Intro:

**D2 D D2**

When the dream came, I held my breath with my eyes closed

**D D2**

I went insane, like a smoke ring day when the wind blows

Now I won't be back till later on

If I do come back at all

But you know me and I miss you now

(Intro)

**D**

In a strange game, I saw myself as you knew me

**D2 D D2**

When the change came, and you had a chance to see through me

Though the other side is just the same

You can tell my dream is real

Because I love you can you feel it now

(Intro)

Though we rush ahead to save our time

We are only what we feel

And I love you

Can you feel it now

Can you feel it now

Can you feel it now

Can you feel it now

Can yoooooooo (1 parte só da Intro terminando em **D** soando)
