G
Tumbleweed
              G7M
Your inner beauty
     Em    Em7      Am7
Is a peace sign to me
C
Life is full of little tricks and
G
We can always pick up sticks and
D                   G    C   D
Build again that's what we do

G
Harmony
              G7M
The way we hold on
       Em    Em7       Am7
When we tumble through the night
C
Life is full of strange delights and
G
In the darkness we find lights
      D                G    C   D
To make our way back home again

Bm
Tumbleweed
         Am7         Em
I'm baring my soul to you
Bm
Tumbleweed
              Am7         G     C   D
It's all that I've got that's true

G
```

```
Bite me now
                G7M
with your confusion
      Em       Em7     Am7
Your happiness and delight
C
It will only hurt a moment
G
Then it's gone and you can't see
        D                G     C  D
There's nothing left to leave a mark

G
Animal
          G7M
Care for your kind
        Em   Em7      Am7
In the way you always do
C
When the flower moon is shining
G
It's eclipse and your lips smiling
D                     G   C   D
Comfort me and I comfort you

G   C   D

G
Tumbleweed
