

Neila Kadhi - Appetite

tom:

Intro: F Em A7 Dm

Quando você chega
 Eu quero teu, quero teu chamego
 Mas é cedo, você passa e vai
 Feito carnaval, feito fevereiro
 É calor, maré, fantasia

Luz no corpo, que louco
 Me beijou com gosto de quem quer ficar
 Mais um pouco, desejo

Mergulhar no apetite de te amar

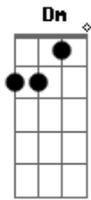

Ai, ai, ai, ai

(Bb7 A7 Dm)

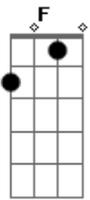

Aí tudo parece desabar, vai!
 É o futuro me olha da janela, ahhh
 Coração à deriva, na....vega
 Tua pele nem posso desejar

Pe pow, pe po pow pe pow
