

Nelly Furtado - I'm Like a Bird

```
Tom: Bb
  (intro) Gm Bb
                                       Dm
                                             Cm
                                                    Fb
You're beautiful, that's for sure
      Bb
You'll never ever fade
      Bb
You're lovely, but it's not for sure
   Bb
That I won't ever change
And though my love is rare
                 Eb
Though my love is true
I'm like a bird, I'll only fly away
I don't know where my soul is
                     Eb
I don't know where my home is
And baby all I need for you to know is
I'm like a bird, I'll only fly away
                     Cm
I don't know where my soul is
I don't know where my home is
All I need for you to know is
Your faith in me brings me to tears
Even after all these years
      Bb
                     Gm
And it pains me so much to tell
   Bb
That you don't know me that well
                    Fb
And though my love is rare
                Eb
Though my love is true
I'm like a bird, I'll only fly away
                     Cm
I don't know where my soul is
I don't know where my home is
And baby all I need for you to know is
I'm like a bird, I'll only fly away
                     Cm
I don't know where my soul is
I don't know where my home is
All I need for you to know is
```
