How you doin' young lady  
That feelin' that you givin' me really drives me crazy  
You don't have a player about the choke  
I was at a loss of words first time that we spoke

N: If you looking for a girl that'll treat you right  
If you lookin' for her in the day time with the light

You might be the type if I play my cards right  
I'll find out by the end of the night

N: You expect me to just let you hit it  
But will you still respect me if you get it

All I can do is try, gimme one chance e- chords .c om  
What's the problem I don't see no ring on your hand

I be the first to admit it, I'm curious about you, you seem so  
innocent

N: You wanna get in my world, get lost in it  
Boy I'm tired of running, lets walk for a minute
