Didn't wanna hear what you said

I guess I had a lost sight

To ask for these things we'd lost
A Em G
I guess it was just a dream

But my heart it still sings
A Em G
For you, I don't know why

D
But at the end of my life
Em
I'll look back on my life
Gbm G

I'll know that my life was good
D
At the end of my life
Em
I'll look back on my life
Gbm G
See I went after you like I should

Gbm Em
I went after what I wanted
