

Nengo Vieira - John Three

Tom: G
Intro: C Em Dm G
I love the love of Jesus, yeeah, yeaah?
Uh? Uhh?
Hear what i will say
I know it's gonna be good for you
Open up your heart
I know it's gonna be good for you
Gotta try this love
(amaziing amazing)
Give up your disguise
(surrender surrender)
Jesus told the jew Nicodemus
You have to be born again
If you want to enter
In the reign of God
Let the spirit come take you
And then you will be... yeah, yeah, yeah?
Like the wind that blows
But no one knows where it comes from
Neither where it goes
The wind just blows where it pleases
Gotta try this love
(amaziing amazing)
Give up your disguise
(surrender surrender)
Jesus told the jew Nicodemus
You have to be born again

If you want to enter
In the reign of God
Let the spirit come take you
And then you will be... yeah, yeah, yeah?
