

Nessa Barrett - Love Looks Pretty On You

tom:
Intro: Gb Db Abm
Love looks pretty on you, look pretty on me
If Heaven's for lovers, that's where we'll be
You see more than my naked body
Close the door and lay me down gently
Kiss me sweet?and?light?a candle
Oh, my?darling, take me?now
[Pré-Refrão]
For the first time
This isn't painful
I feel like an angel in white sheets
[Refrão]
Love looks pretty on you, you look pretty on me
If Heaven's for lovers, that's where we'll be
Love looks pretty on you, my pretty baby
I love how you love m? so delicately
So delicat?ly
You're the one, the one and only
To stay and hold me like a lady
Dainty muse, I must be dreaming
Keep me safe, love me to death
