Intro: Gb
                         Dh
                                            Δhm
Love looks pretty on you, look pretty on me
If Heaven's for lovers, that's where we'll be
You see more than my naked body
       Abm
Close the door and lay me down gently
                  Db
  Gb
Kiss me sweet?and?light?a candle
     Abm
Oh, my?darling, take me?now
[Pré-Refrão]
For the first time
         Abm
This isn't painful
I feel like an angel in white sheets
Love looks pretty on you, you look pretty on me
                В
If Heaven's for lovers, that's where we'll be
               Db
Love looks pretty on you, my pretty baby
                В
I love how you love m? so delicately
         Abm B
So delicat?ly
You're the one, the one and only
    Abm B
To stay and hold me like a lady

Gb

Db
Dainty muse, I must be dreaming
Keep me safe, love me to death
Acordes
                 DЬ
