Baby come with me (Uh,uh-uh-uh)

I can sit pretty (Uh,uh-uh-uh)

On your famous leather seats

Flashing lights (Uh,uh-uh-uh)

Put it into drive (Uh,uh-uh-uh)

Up and down my thigh (Uh,uh-uh-uh)

I'm your favorite fantasy

Can you feel my heartbeat?

When you hit it full speed

Anywhere you take me

I'll go

I'm your shotgun baby

For the long run

Don't you know

I'd die for you

I ride for you

Say you're all mine

Touch me under street lights

Don't you know

I'd die for you

I ride for you

I'll go

I'm your shotgun baby

For the long run

Don't you know

I'd die for you

I ride for you

Say you're all mine

Touch me under street lights
