

NETVNO - Janeiro

Tom: D

How could I insist
 And tell you to stay
 When my soul knows that your heart
 Lives so far away?
 I can only see
 Reasons to move on
 Seasons change and soon enough
 The thrill will be gone
 Time will pass, as always has
 Birds will sing and skies will be blue
 No more long nights lost in so many thoughts of you

No more long nights lost in so many thoughts of you

 Ah, se a solidão
 Me deixasse em paz
 Ria à toa dessa vida
 Não chorava mais
 Não vivia do passado
 Nem deixava o futuro iludir
 Teria eu tantos motivos pra sorrir
 Teria eu tantos motivos pra sorrir
