

# NeverShoutNever - Delirious

Tom: G

G D  
I, I want you back  
Em  
You've done a damn good job  
A7  
at making me see what I can't live without.  
G D  
And you, you're so unsure.  
Em  
You say you're pretty sure  
A7  
that you still believe in love  
A  
and darling, I will help you believe.  
A (mute)  
Just don't hate me for being honest.

D  
Girl, you're making me delirious.  
Gbm  
These sudden feelings for you are so mysterious.  
C  
This life we're living is nothing but a dream.  
A7 E  
Take off your clothes and let me hold you while you sleep.  
D  
Girl, I know it sounds delirious.  
Gbm  
I think I'm falling in love for my experience.  
C  
This love I'm sharing is not a desperate plea.  
A7 E  
Lets leave the country and explore the seven seas.
